## Welcome

The Center for Dewey Studies is the home of ongoing publishing projects and research materials that focus on the life and work of the American philosopher and educator John Dewey. On this site you will find information pertaining to the Center, its resources, and events related to Dewey studies.

### Quick Navigation:

- For an introduction to our new site, check Letter from the Director.
- Are you planning to visit the Center? Check Center / Guest Resources.

### Latest Announcement:

**The Ikeda Center for Peace, Learning, and Dialogue presents...  
The 6th Annual Ikeda Forum for Intercultural Dialogue:  
John Dewey, Daisaku Ikeda, and the Quest for a New Humanism**

During 2009, a number of celebratory events will mark the 150th anniversary of John Dewey's birth on October 20, 1859. For information about these events, including conferences, lectures and discussions, visit the Birthday Celebrations page.
