## 民生幸福是社会进步的价值目标

罗建文

(湖南科技大学哲学系, 湖南湘潭, 411201)

摘要: 幸福是现实生活中每一个人都向往和追求的, 个人追求幸福是人类追求幸福的基础和动因, 没有每个人对幸福的积极追求, 就没有个体对幸福的关心, 也就没有人类的整体幸福。人类的奋斗历程就是一个前仆后继的幸福追求过程, 无论政治制度和意识形态有多么大的差异, 无论社会文明发展的程度有多么大的不同, 追求民生幸福最大化是人类活动永恒的价值追求。衡量一个社会的进步与发展, 最为根本的标准就是这个社会是否能够最大限度地满足人民群众的幸福要求, 这也是中国特色社会主义的价值追求。

关键字: 民生幸福; 社会进步; 发展动力; 价值目标

## Well-being of people's livelihood as the goal of value for social progress

LUO Jianwen

(Department of Philosophy, Hunan University of Science and Technology, Xiangtan 411201, China)

Abstract: The well-being is what everyone pursues in real life. And the individual pursuit of happiness is the basis and momentum of the pursuit of human well-being. Without active pursuit of happiness for everyone, there is no concern for the well-being of individuals, and there would be no overall well-being of humanity. Human history, or the struggle ever fought, is full of the pursuit of happiness, regardless of political systems and ideologies. The great the difference is, however, no matter the degree of development of social civilization and however big the difference is, to maximize the pursuit of well-being of the people's livelihood activities is the pursuit of eternal value. To measure social progress and development, the most fundamental standard of this society is to maximize the ability for meeting the requirements of well-being of the masses of people, which is the pursuit of value for socialism of Chinese characteristics.

KeyWords: well-being of the people's livelihood; social progress; momentum for development; the target of value
