## Welcome

Welcome to the new D&B Million Dollar Database on the Internet! Over the past several months, D&B has redesigned the Million Dollar Database to better suit your needs. It has all the functionality you've come to rely on—and much more. Here is a brief list of enhancements or features that have been added:

- New, intuitive user interface
- Updated online "Help" system
- Search on NAICS & SIC codes is now supported
- Running list of search criteria has been added
- Improved sorting feature will now sort any number of records
- "Jump To" feature allows you to find a specific record quickly
- Automatic authentication between domestic & international databases

Find the information you want in a snap! Use the login form at the left to enter your authentication information and press Login. If you need any help with the new application interface, you can read the informative Help available at the top right corner of the page or call as directly at the numbers shown. Please remember to logout by using the Logout button, and enjoy the new MDDI!

D&B's North American Million Dollar Database provides the information professional, marketer and sales executive with information on approximately 1,600,000 U.S. and Canadian leading public and private businesses. Company information includes industry information with up to 24 individual 8-digit SICs, size criteria (employees and annual sales), type of ownership, principal executives and biographies.

D&B's International Million Dollar Database (IMDDI) is the answer for those research professionals who require information on over 1,600,000 international companies. Find SIC, total employees, legal status, annual US sales dollar equivalent, and more, plus identify up to four (4) executives on the world's largest entities. Search, lookup, report and download this information with just a few mouse clicks.

Access to the North American database is available on a subscription basis with the company data being updated every 30 days. The database was last updated on December 21, 2009 with 3rd quarter 2009 information. Single user, multi-user, LAN, and WAN access configurations are available. If you would like to receive more information about this service, please contact us at 1.800.234.3867 (U.S. Customers) or 1.800.463.6362 (Canadian Customers).
