World Bank Responds to Earthquake in Haiti

The World Bank has mobilized a US\$100 million grant while it works to forgive the country's debt as part of its response to the recent earthquake.

[+ More](#)

COUNTRY BRIEF

Haiti became a member of the World Bank in 1953. While the first loan was from the IBRD, all other financing has been channeled through the International Development Association (IDA), the arm of the World Bank that provides interest-free loans and grants to low-income countries.
