**Journal Description:** *Land Economics* is dedicated to the study of land use, natural resources, public utilities, housing, and urban land issues. Established in 1925 by the renowned economist Richard T. Ely, *LE* publishes innovative, conceptual, and empirical research of direct relevance to economists. Each issue brings the latest results in international applied research on such topics as transportation, energy, urban and rural land use, housing, environmental quality, public utilities, and natural resources. You currently do not have access to this content. See [Options for Access to JSTOR](#) for more information.
