Overview	Biography	Publications & Course Materials	Current Research	Areas of Interest
--------------------------	---------------------------	-----------------------------------------------------	----------------------------------	-----------------------------------

Timothy Butler is a Senior Fellow and Director of Career Development Programs. His research interests focus on career decision making generally and the relationship between personality structure and work satisfaction in particular. He has published technical papers on career assessment psychometrics and small group dynamics in academic journals and numerous practitioner oriented articles in periodicals such as *Fortune*, *Fast Company* and the *Harvard Business Review*. His books include *Discovering Your Career in Business* (Addison-Wesley, 1997), *The Twelve Bad Habits That Hold Good People Back* (Doubleday, 2002), and *Getting Unstuck: How Dead Ends Become New Paths* (Harvard Business School Press, 2007).
