Women's Role in ICT Accounting Research: An Account from Self- Reflection

Edward Sek Khin Wong

Abstract

The term feminism, which began to gain ground in the 1970s, is used by those who object to the perceived deprivation of a woman's right to proper professional development. Very little evidence exists, however, as to why so few women have undertaken careers as an Academic researcher. John Lucas (1973) suggests that the feminist debate may lead to the
