Interval Values for Multicriteria Cooperative Games

[Pieri, Graziano](#); [Pusillo, Lucia](#)

Year: 2010 Volume: 4 Issue: 2 Pages: 189-200

Abstract: In this paper we consider multicriteria interval games. The importance of multiobjectives follows from applications to real world. We consider interval valued games and extend some classical solutions for cooperative games to this new class in multicriteria situations.

JEL classification: C71

Keywords: Multicriteria situations, interval valued games, cooperative games, core
