Agric. Econ. – Czech

Svatoš M.: Selected trends forming European agriculture

Agric. Econ. – Czech, 54 (2008): 93-101

The dynamics and forming of European agriculture are determined by many considerably heterogenous and complicated processes and trends which influence mutually and moreover they work in a different way in developed and developing countries. An attention will be paid to basic global trends, the role of the Common Agricultural Policy, the influence of agrarian markets, the promotion of
