Founded in 1980, The Association of Chartered Accountants in the United States (ACAUS) is an educational organization dedicated to representing the interests of over 7,000 Chartered Accountants from the funding Home Institutes who reside in the United States.

Our mission is to facilitate the professional success of our members and, in so doing, to gain recognition of, and respect for these professionals. Since our founding in 1980, we have achieved the following goals:

- Acting as an in person and virtual network for our members
- Facilitating business networking and providing opportunities for social interaction and
- Enhancing public understanding and perception of the designation in the U.S.
- Advocating for mutual recognition of our institute qualifications and building relationships with other based organizations.

Chartered Accountants and Chartered Professional Accountants - Canada, who reside in good standing of the following Institutes, collectively the "Home Institutes", are eligible for the CA designation.
