

The International Accounting Education Standards Board™ (IAESB™) is an independent standard-setting body that serves the public interest by establishing standards in the area of professional accounting education that prescribe technical competence and professional skills, values, ethics, and attitudes. Through its activities, the IAESB enhances education by developing and implementing International Education Standards™ (IES™), which increase the competence of the global accountancy profession—contributing to strengthened public trust.

SPOTLIGHT ON

New IAESB Exposure Draft Expected Soon

The IAESB is developing an exposure draft that revises the learning outcomes from four existing International Education Standards. IAESB Deputy Chair Anne-Marie Vitale explains what content and timing to expect.

Accounting Educations Resources

Along with issuing the International Education Standards, the IAESB also develops implementation support materials, including videos, webcasts and presentations, and guidance documents. These resources support accounting education and provide assistance to academics, training providers, professional accounting organizations and employers.

Supporting IES Adoption and Implementation

The IAESB has developed supporting adoption and implementation guidance materials for the newly revised IES, including *Guidance on Implementing a Learning Outcomes Approach*, *Guidance on Implementing IES 8, Professional Competence for Engagement Partners Responsible for Audits of Financial Statements*, and the *Ethics Education Toolkit* videos and accompanying study guides, which help professionals at all levels improve ethical decision making.
