2014-2016 IAESB Strategy and Work Plan

The International Accounting Education Standards Board™ (IAESB™) has issued its *2014-2016 Strategy and Work Plan*, which focuses on supporting the adoption and implementation of International Education Standards™ (IESs™). The Education Board's work will: assist International Federation of Accountants® (IFAC®) member bodies, regulators, employers, academics, and students; improve the quality of professional accounting education worldwide; and enhance the competence and judgment of professional accountants.

The staff-prepared *Basis for Conclusions* document relates to, but does not form part of, the *2014-2016 IAESB Strategy and Work Plan*.
