SMP Committee Strategy and Work Plan

2013-2016

The SMP Committee's Strategy and Work Plan for 2013–2016 outlines the committee's objectives, strategic plan, and key outputs. It highlights how the SMP Committee's planned activities align with and support IFAC's overall strategy and work plan to support the worldwide accountancy profession. While this document contains the SMP Committee's strategy for the four-year period 2013–2016, the work plan activities detailed are only for 2013. Work plans for the three subsequent years will be developed annually.
