中文摘要:

为了促进农业产业化经营决策的科学化, 运用收入弹性理论, 研究了我国农副产品需求的估计方法, 探讨了农业产业化经营决策应遵循的思路。

英文摘要:

For promoting scientification in the policy making in agricultural industrialization management and by means of income elasticity theory, the method for estimating the requirements for agricultural products and byproducts in China was studied. A new idea that should be followed in the policy making in agricultural industrialization management was also presented.
