Research in Agricultural Engineering (RAE)

ISSN 1212-9151 (Print)

ISSN 1805-9376 (On-line)

▪

All international peer reviewed journal published under the auspices of the Czech Academy of Agricultural Sciences and financed by the Ministry of Agriculture of the Czech Republic. Published since 1954 (by 1999 under the title Zemědělská technika)

- The journal is administered by an international Editorial Board
- Editor-in-Chief: Ing. Zdeněk Pastorek, CSc., prof.hc.
- Executive Editor: Ing.

Eva Kalska

- The journal is published quarterly

Thematic scope

original scientific papers, short communications, information, and studies covering all areas of agricultural engineering, agricultural technology, processing of agricultural products, countryside buildings and related problems from ecology, energetics, economy, ergonomics and applied physics and chemistry. Papers are published in English.

Referred to in

Agrindex of AGRIS/FAO database, CAB Abstracts, Czech Agricultural and Food Bibliography, SCOPUS

Open Access Policy

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.
