# **Agric. Econ. – Czech**

**T. Doucha, E. Divila**

## **Possible impacts of the Czech agricultural policy after the EU accession on the land market and land usage**

Agric. Econ. – Czech, 51 (2005): 185-193

The Czech agricultural policy after the EU accession is the set of both the EU and national measures related to the Czech agro-food sector. The paper defines possible scenarios of the agricultural policy developments in 2004– 2013 and

presents expected impacts of the policy scenarios on the Czech farm structure and land usage.

### **Keywords:**

agriculture, agricultural policy, distribution of supports, land market, land usage, farm structure
