# Adaptive Expectations, Confirmatory Bias, and Informational Efficiency

Gani Aldashev,  
Timoteo Carletti,  
Simone Righi

*(Submitted on 26  
Sep 2010)*

We  
study  
the  
informational  
efficiency  
of a  
market  
with a  
single  
traded  
asset.  
The  
price
