ISI Journal Citation Reports® Ranking: 2008: 3/28 Public Administration
Impact Factor: 1.503

Public Administration Review™ (PAR), a bi-monthly scholarly journal, has been the premier journal in the field of public administration research, theory, and practice for more than 60 years. PAR is the only journal in public administration that serves both academics and practitioners interested in the public sector and public sector management. Articles identify and analyze current trends, provide a factual basis for decision making, stimulate discussion, and make the leading literature in the field available in an easily accessible format. With articles on a wide range of topics and expert book reviews, PAR is exciting to read and an indispensable resource.
