

Welcome!

Welcome to your American Jail Association website. I am Jamie Clayton, and it is my privilege to serve as your President for the next year.

Designed to be navigated easily, our website can provide you with the resources you need. Here, you will find contacts in the field, training locations, how to become certified, and vendor information. Or you can simply familiarize yourself with our association and how we may assist you.

The American Jail Association staff and Board of Directors are here to serve you and all the jails across our great Nation. We represent the smallest of jails to the largest. Please feel free to contact us with any questions, concerns, and suggestions.

We stand by our "mission statement," to focus exclusively on supporting the professionals who staff and operate our Nation's jails, and we encourage you to become involved in our association. Together we can represent corrections

Our Mission

The American Jail Association (AJA) is the leading industry organization exclusively focused on supporting the professionals who staff and operate our nation's jails. Through networking, training, education, and leadership opportunities, AJA helps develop career corrections professionals and raises the standard for all corrections employees, management, and facilities nationwide.
