ABSTRACT

[December 2004, Vol. 127, No.12](#)

What can time-use data tell us about hours of work?

Harley Frazis

Research Economist, Employment Research and Program Development Staff, Office of Employment and Unemployment Statistics, Bureau of Labor Statistics.

E-mail: Frazis.Harley@bls.gov

Jay Stewart

Research Economist, Employment Research and Program Development Staff, Office of Employment and Unemployment Statistics, Bureau of Labor Statistics.

E-mail: Stewart.Jay@bls.gov

Estimates of hours worked from the CPS are very close to estimates from the ATUS for CPS reference weeks; however, CPS reference weeks are not representative of the entire month.
