LSAY RESEARCH REPORTS

School achievement and initial education and labour market outcomes

[Download](#)[Stephen Lamb, ACER](#)

Publication Date

7-1-1997

Comments

Longitudinal surveys of Australian youth research report ; n.4

Abstract

This report looks at the relationships between literacy and numeracy achievement in junior secondary school and a range of education, training and labour market outcomes at age nineteen. It pays particular attention to the education and labour market effects of differences in literacy and numeracy skills.
