摘要:

近代教育出版(特别是教科书的出版)构成了中国教育现代化的重要推动力量,也从一个重要侧面展现了中国教育现代化的历史进程。为近代中国最早成立的民营出版机构和最大的教育出版机构商务印书馆掌舵长达25年的著名教育出版家王云五,一生从未停止过对商务印书馆的教育出版活动及事业的反思与总结,并在一系列论著的基础上形成了《商务印书馆与新教育年谱》这一集大成之作。《商务印书馆与新教育年谱》试图从教育出版的独特视角来展现商务印书馆与中国近代教育的互动关系,其突出特点是始终不忘强调近代出版业自身的独特地位和作用,从而较为深刻地揭示了以作者为代表的中国近代教育出版家的主体意识,也为后人考察和认识出版与教育的内在关联及其互动关系提供了一个典型而生动的个案。

The Subjective Consciousness of Wang Yunwu and Modern Educational Publishers:A Study on A Chronicle of the Commercial Press and New Education

Xiao Lang Zhang Xiukun

Abstract:

Modern education publishing, especially the publication of textbooks, is an important driving force, as well as an epitome of Chinese education modernization. Wang Yunwu, a famous educational publisher and leader of the Commercial Press (the largest, first private-owned institution of educational publishing in modern China) for 25 years, never ceased his reflection and review on the educational publishing activities and undertakings of the Commercial Press. On the basis of a series of treatises and books, Wang Yunwu accomplished his masterpiece A Chronicle of the Commercial Press and New Education. With a unique perspective of the interactive relationship between the Commercial Press and modern Chinese education, and a stress on the peculiar status and function of modern publishing itself, the book cogently reveals the subjective consciousness of modern Chinese educational publishers represented by Wang Yunwu. It also serves as a typical and vivid case to help future publishers to observe and understand the interconnectedness and interactive relationship between publishing and education.

Keywords: Wang Yunwu A Chronicle of the Commercial Press and New Education the modern educational publisher subjective consciousness
