European Foundation for Psychologists and Analysts

EFPA is the European Foundation for Psychologists and Analysts. Our aims are to educate and inform as well as to promote the Psychology associations throughout Europe.

On this website you'll find a comprehensive list of the European Psychology Associations, a wide range of information on how to become a psychologist as well as advice on how and where to set up a practice.

European Psychology Directory

If you are looking for a psychologist in the UK or Europe you'll find a selection of practitioners on our directory.
