

Evolutionary Psychology

Editor: [Todd K. Shackelford, Ph.D.](#)

Evolutionary Psychology is an open-access peer-reviewed journal that aims to foster communication between experimental and theoretical work on the one hand and historical, conceptual and interdisciplinary writings across the whole range of the biological and human sciences on the other.

Evolutionary Psychology is indexed by [PsycINFO](#), [EBSCOhost](#), [Scopus](#), [Socolar](#), [Google Scholar](#), and the following [Thomson Reuters](#) databases: [Web of Science](#), [Social Sciences Citation Index \(SSCI\)](#), and [Current Contents/Social and Behavioral Sciences](#).

Evolutionary Psychology receives around **30 000 page views monthly**.
