### Awards & Grants

### What is the Society for Research in Child Development?

The Society is a multidisciplinary, not-for-profit, professional association with a membership of approximately 5,500 researchers, practitioners, and human development professionals from over 50 countries. The purposes

Learn more about SRCD  
Awards/Research Grants

of the Society are to promote multidisciplinary research in the field of human development, to foster the exchange of information among scientists and other professionals of various disciplines, and to encourage applications of research findings. Our goals are pursued through a variety of programs with the cooperation and service of our governing council, standing committees, and members. [> MORE](#)
