... (The page contains a dense grid of small text blocks, likely a dictionary or reference list, covering the entire page area.) ...

Windows 10 desktop background with a grid of icons and a taskbar at the bottom. The icons include folders like 'D:\Games', 'D:\Programs', and 'D:\Documents', as well as applications like 'PowerPoint Presentation', 'Microsoft Word', and 'Microsoft Excel'. The taskbar shows the Start button, several pinned applications, and the system tray with the clock and date.
