Fifth International Conference on Construction Grammar (ICCG-5)

Conference Dates: September 26-28, 2008

Conference Location: University of Texas at Austin

The Fifth International Conference on Construction Grammar (ICCG-5) will be held at the University of Texas at Austin, September 26-28, 2008. In line with the previous International Conferences on Construction Grammar, ICCG-5 will continue to serve as an international forum for promoting discussion and collaboration among linguists interested in Construction Grammar and Frame Semantics, as well as in related constructional research in its various models and applications. Further information about Construction Grammar can be found here:

<http://constructiongrammar.org>

Former conferences took place in Berkeley (2001), Helsinki (2002), Marseille (2004), and Tokyo (2006).

Guest Speakers:

- Johanna Barðdal, University of Bergen
- Charles Fillmore, University of California, Berkeley
- Laura Michaelis, University of Colorado at Boulder
- Paul Kay, University of California, Berkeley
- Gert Webelhuth, Georg-August-Universität Göttingen
