                                                                                    xWhy
can t Viktor enter the U.S? How can be go to New York? ( ) []=
country of laws and regulations ""](\(\frac{1}{2}\) Option 1: wait until the war is over and get a
valid visa Option 2: plead for asylum (by establishing a ∟ credible fear↔ of returning to his home
country) Option 3: escape from the airport (go to the exit when the guards are off-duty, push the
door open, then walk out) Z_{\Gamma} !A country of laws and regulations ""
       What did Viktor choose to do? Why? What did Frank suggest that he can do? Why would
Frank offer such suggestions? In Viktor's case, is the law actually regulating and serving people,
or simple creating troubles for people?

A country of
              How many different colors of faces did you find at the airport? How many
different countries are these people from? Facts: 99% of Americans are immigrants! ( at least their
ancestors were unless they are American Indians or Eskimos) Z A country of
immigrants† 12.5% of the population are Spanish-speaking immigrants (the fastest growing
community) 12% are African Americans 3.6% are Asian Americans >X<sub>[[</sub>], →
     A country of immigrants i.e. About 25% of the population are African
```

Americans and Spanish-speaking immigrants! And this number is as high as 33% in the younger generation! According to analysts: the white people will become a minority group in the U.S. in 30 A country of immigrants The current number of ∟ new immigrants (people born outside the U.S.): 30,500,000 29% from Mexico (half of them are illegal immigrants) 3 states with over 1 million immigrants: California: 8.1 million The New York State: 3.6 million Florida: 2.4 million " ZV + #ZD_ A country of Why is the number so large? Two of the main reasons: "by law, people can immigrants+ immigrate to the U.S. (which is not the case in many European countries) "immigrants can be paid less, which reduces labor costs and helps the boom of the American economy F5+Z A country of immigrants Is America a melting pot or a plate of salad? "Melting pot: different materials are melted and stirred to become the same product "salad: different materials are mixed by the same sauce, but are still what they were F.+ZA country of immigrants+ America is a melting pot form the perspective of legal system ¶¶¶ since you are living on this piece of land, you have to obey its laws Ethnologically, America is a plate of salad ¶¶¶ many immigrants still stick to their own ways 8 A ∟ warrior of Human The U.S. government has always been acting like a warrior of human rights on the world stage But are they really always defending human rights? (][[5]3 What have they done to Viktor? What have they done to the poor warrior of Human Rights+ man trying to bring medicine to his sick father? Are human rights being defended or infringed in these 2 cases?
