from the assigned readings. A: (give advice) _____. B: You're right. But I must have left a bad impression on him. A: (cheer him up) _____.

Part 5 Individual speaking
Now let's move on to a more specific topic Making Friends. The following is a list of good qualities worth considering when making friends. Please choose one item and describe a friend who has the qualities listed in it. You have three minutes to prepare and one minute to present your story.

- 1) helpful and generous; thoughtful
- 2) flexible and cooperative; understanding
- 3) faithful and reliable; hardworking
- 4) frank and honest; optimistic

Group work (Now we know something about your friend.)
