

## Welcome to the Centre for English Language Education

Welcome to the Centre for English Language Education (CELE) at the University of Nottingham. For nearly twenty years, we have been providing study opportunities and support for international students, and teacher training programmes. Since its foundation, CELE has gained a reputation as a student-centred organisation committed to empowering its students to succeed in their chosen academic and professional fields.

This site provides you with links to information about who we are, the programmes of study and facilities we offer, and our research activities.
