Philosophy of Music Education Review

E-ISSN: 1543-3412 Print ISSN: 1063-5734
Publisher: [Indiana University Press](#)

The Philosophy of Music Education Review disseminates philosophical research in music education to an international community of scholars, artists, and teachers. It regularly includes articles that address philosophical or theoretical issues relevant to education, including reflections on current practice, research, issues, or questions; reform initiatives; philosophical writings; theories; the nature and scope of education and its goals and purposes; and cross-disciplinary dialogue relevant to the interests of music educators.
