Most materials are in HTML format; some are available as pdf files, which are accessed by clicking on the accompanying graphic **PDF**. The pdf files require the program Acrobat Reader which is probably already installed on your machine and linked to your browser; if not, it is available free at <http://www.adobe.com/acrobat/>.

The project to post the back issues of the journal on the web is 100% complete (except for the last of the three issues sent out in late March, 2008); see our [statistics](#).

Also available is Phyllis S. Emerson's [Index of Astrana Marin's Vida ejemplar y heroica de Miguel de Cervantes Saavedra, with a Chronology of Cervantes' Life](#). This digitized version of the index was subsidized by the Cervantes Society of America.
