## Welcome to Sargam WEBSITE!

SARGAM is a non-profit organization created through which young to old of the Indian community may collaboratively explore and develop artistic insights and gifts in the art of music, dance and drama. SARGAM aspires to provide a platform for the advancement, admiration, performance and learning of the performing art (music, dance and drama). SARGAM is committed to encourage programs of special interest to the Indian community and to promote healthy interaction and unity among the different Indian cultural groups. Our mission is to celebrate the radiant spirit of India and share it with the diverse communities of Adelaide. Here you will find information on previous activities and upcoming events. You can contact us to become a member and learn how to get involved in our community. You will find pictures of previous events that we have participated in.

-So look around and have fun-
