The mission of The George Balanchine Foundation is to utilize the Balanchine legacy to advance the development of dance and its allied arts in the United States and throughout the world on behalf of the dance community at large. This goal is pursued through a broad range of activities and programs, including concentrated research, ballet reconstructions, publications, lectures and videos, and other innovative projects.

April / 2007

The George Balanchine Foundation has issued seven new archival videos featuring selected passages of Balanchine's choreography.
