Dance UK is the national voice for dance

The Dancers Health Pilot Scheme announces the first major donation of £80,000 from the Jerwood Charitable Foundation towards our target of £500,000 at the Royal Society of Medicine Tuesday 8 July. For more information [click here](#). To make a donation [click here](#).

On behalf of our members and the dance sector, we:

- lobby politicians and funders
- champion healthier dancers and a healthier dance economy
- advocate for the increased profile of dance in all its diverse and dynamic forms
- develop and facilitate networks for the profession
- nurture and encourage career development
- provide information and guidance for the public and professionals

You can contact us by calling + 44 (0) 207 713 0730 or email info@danceuk.org
