## ■ Bin Laden threatens free speech once again

Written by CRNI Director, Burke, VA USA

Mar 20, 2008 at 06:18 PM

Both the Washington Post and the [Huffington Post](#) reported this morning that al-Qaida leader Osama bin Laden has issued a new audio message warning Europeans about new attacks because of the printing of the 12 Mohammad cartoons by the Danish newspaper Jyllands-Posten. Three weeks ago, an apparent al-Qaida sponsored attempt to assassinate one of the cartoonists was foiled by Danish police and three men were taken into custody.
