IPPC6: Wednesday 14th
– Friday 16th August
2014
Dublin, Ireland

Public Procurement remains a key focus for policy makers in this time of global downturn and austerity. As such both academics and practitioners have a desire to share their research and practice in an open and transparent environment. In Dublin, August 2014, the Sixth International Public Procurement Conference (IPPC6) will take place. The IPPC is the largest international public procurement conference globally dedicated to academic discussion and practitioner engagement. Over the last 10 years having built its profile in attracting participants from over 60 countries, it is hoped that the conference in Dublin will exceed this. .

Best Paper Awards:
There are three best paper awards, with \$3,000 for the 1st best paper, \$2,000 for the 2nd best paper, and \$1,000 for the 3rd best paper. In addition, there are awards for

About IPPC

The International Public Procurement Conference (IPPC) is a global network of public procurement practitioners and researchers from over 100 countries. Our objective is to advance and share knowledge and best practices in public procurement. Our biennial conferences provide privileged networking opportunities with high-level public procurement practitioners and experts. Participants' interest in sharing public procurement knowledge benefits government, business, and greater society across the world.
