Lectures on principal bundles over projective varieties

[Tomas L. Gomez](#)

(Submitted on 8 Nov 2010)

Lectures on the construction on the moduli space of principal bundles, given in the Mini-School on Moduli Spaces at the Banach center (Warsaw) 26-30 April 2005.

Comments: 21 pages

Subjects: **Algebraic Geometry (math.AG)**

MSC classes: 14D22

Journal reference: Pragacz, P. (Ed.) Algebraic cycles, sheaves, shtukas, and moduli. Impanga lecture notes. Trends in Mathematics. Birkhaeuser Verlag, Basel, 2008. viii+236 pp., 45--68
