Welcome

The 10th ICSA international conference will be held at Xuhui campus of Shanghai Jiao Tong University in China, on December 19-22, 2016. The International Chinese Statistical Association (ICSA) is a non-profit organization, established in 1987, with the aim of promoting the theory and applications of statistical disciplines through scholarly activities, including publication of journals in statistics and probability, scientific meetings, and other educational programs.
