The Seminar on Stochastic Processes 2018 (SSP2018), will be held from May 9 through May 12, 2018 at Brown University, Providence, Rhode Island. From May 9 - 11 the meeting will take place at the Institute for Computational and Experimental Research in Mathematics (ICERM), and on May 12, the talks will take place at the main campus of Brown University.

The meeting is hosted by ICERM, the Division of Applied Mathematics and the Department of Mathematics at Brown University. It is supported by funds from the National Science Foundation and the Lefschetz Center for Dynamical Systems at the Division of Applied Mathematics at Brown University, and is co-sponsored by the Institute of Mathematical Statistics.

For general information about this seminar series, please visit the main homepage of the [Seminar on Stochastic Processes](#).
