

... (The text is a dense, repetitive sequence of characters and symbols, appearing to be a corrupted or highly stylized document. It contains numerous characters, some of which are recognizable as Chinese characters, but they are interspersed with symbols and repeated in a way that makes the original meaning almost entirely illegible. The text is organized into several paragraphs, separated by line breaks and some larger symbols like asterisks and brackets. The overall appearance is that of a corrupted digital document or a highly stylized, unreadable text format.)

... (The text is a dense, continuous stream of characters and symbols, appearing to be a highly stylized or encoded form of text. It contains numerous symbols, including letters, numbers, and special characters, arranged in a complex, non-linear fashion. The text is too dense to transcribe accurately as a standard document, but it appears to be a single block of content spanning the entire page.)

Table with multiple columns and rows containing text, numbers, and symbols. The content is highly repetitive and appears to be a complex data set or a list of entries. The text is mostly in Chinese characters and includes various symbols like \$, %, and mathematical notations.
