Welcome to IONS Xi'an 2017

On behalf of organizers of the conference, I'd like to give my sincere regards to all the followers.

For promoting development of optics and optoelectronics, strengthening international academic exchanges and cooperation for graduate students, the conference **IONS Xi'an 2017** will be held in **Xi'an**, Shaanxi province, China from **April 24 to April 28, 2017**. The conference is located at **Hilton Gardon Inn**, and it is expected to have about 200 attendees. **8** distinguished experts and professors, such as **Prof. Sune Svanberg** (Chairman of Nobel Committee for Physics in Royal Academy of Sciences), **Prof. Katarina Svanberg** (Former Chairman of SPIE) and **Prof. Rolland Jannick** (Associate Director of the R.E. Hopkins Center for Optical Design & Engineering, University of Rochester), are invited to give the plenary lectures. We welcome your contributions, either in the form of oral presentations or posters, excellent articles will be collected at **Acta Photonica Sinica (EI-indexed)** and **Acta Optica Sinica (EI-Indexed)**. You can find attached the schedule and poster of the conference IONS Xi'an 2017.

The conference covers the following topics:

- Lasers and Nonlinear Optics
- Nano Photonics and Materials
- Optical Design and Optical Precision Measurement Optical Biosensing
- Optical Imaging and display
- Optical Communication and Optical Network Technology

We are accepting applications. Registration is open and hotel reservation may be made directly with the hotel website or by phone.

Xi'an is the capital city of Shaanxi province. It is famous for its centuries-old history of over 3,000 years. It had been the capital city of 13 dynasties in the history of China. There are many attractive sites around Xi'an such as the famous "Terra Cotta Warriors and Horses", which has been called "the eighth wonder of the world". Today, the old city is becoming a modern
