Tourist Information

"International Symposium on Higgs Boson and Beyond Standard Model Physics" aims at updating our understanding of Higgs boson physics in the Standard Model & beyond, addressing the recent progress on the search for new physics at the LHC and discussing the planning for a future Higgs factory. The meeting will be held at the international lecture hall (国际报告厅), second floor of academic exchange center (学术交流中心二楼), Shandong University, Weihai, on August 15-19, 2016. The registration fee is 1500RMB covering meeting materials, lunches, banquet, coffee breaks and so on. The fee must be paid in Chinese RMB only. Please note that the credit card payment cannot be accepted. Accommodations are not included in registration and will have to be paid separately.
