### APS March Meeting 2019

#### March 4-8 • Boston, MA

From March 4 to 8, Boston will transform into the hub of physics as more than 11,000 attendees arrive for the APS March Meeting 2019. Showcase your work for a global audience of physicists, scientists, and students representing [28 APS units and committees](#) to explore groundbreaking research from industry, academia, and major labs. See the [members of the committee](#) working on this year's program.

**Venue:** Boston Convention and Exhibition Center (BCEC)

#### Important Dates

- Abstract Submission Deadline: October 26, 2018
- Early Registration Deadline: January 14, 2019
- Late Registration Deadline: February 22, 2019

#### Abstract Submission

Share your work with a diverse audience of physicists from around the world.
