21st International Conference on Organic Synthesis

DECEMBER 11-16, 2016 - BOMBAY, INDIA

Dear Colleague,

We are glad to welcome you to the 21st International Conference on Organic Synthesis (ICOS 21) to be held in Mumbai, India from December 11th - 16th, 2016. ICOS, renowned for leveraging the research findings in organic synthesis, is marking its presence in India after a long span of 22 years and we are ecstatic to unveil the 21st edition at IIT Bombay.

The meeting will follow a traditional ICOS program developed in consultation with the International Advisory Board. The present edition boasts of an outstanding group of special lectures, plenary lecturers, invited speakers and the Thieme-IUPAC award lecture. Besides, there will also be parallel sessions from other academicians and industry scientists and poster presentations from students. We encourage the students by rewarding the best poster prizes.

We solicit your association to make this event a grand success, much akin to the previous editions.

Thanks and best regards,

Sincerely yours (welcome message.php)

Prof. Krishna P. Kaliappan
Organizing Chair ICOS 21
IIT Bombay

Dr. Srivari Chandrasekhar
Organizing Secretary ICOS 21
CSIR-IICT Hyderabad
