(<http://marm2017.sites.acs.org/Registration/finalregform.pdf>)

The theme is "Elements of Transition," which was inspired by the many changes happening on different fronts. New sources of energy, renewed interest in STEM programs, the varying business models in the pharmaceutical industry, and the new opportunities that come with changing regulations are just some of the transitions we feel will provide discussion topics for a wide swath of businesses and individuals in the Mid-Atlantic region (<http://marmacs.org>).

MEETING HIGHLIGHTS

Opening Luncheon Featuring Howard and Sally Peters

(<http://marm2017.sites.acs.org/Undergraduates/CHOCOLATE%20abstract.pdf>),
