## Welcome

**The International Conference on Aerospace System Science and Engineering (ICASSE 2018)** will be held in Moscow, Russia, organized by Shanghai Jiao Tong University and Moscow Aviation Institute. It will be a forum that brings together experts in astronautics and aeronautics to share new ideas and findings. The proceedings of this conference will be published by Springer Publisher and the papers in this proceeding will be cited by the Engineering Index (EI).

**Submission: Please send email to [AerospaceSystems@sjtu.edu.cn](mailto:AerospaceSystems@sjtu.edu.cn)**
