Subject: Fw: CALL FOR PAPER EGU 2007 NH3.01

Dear colleagues,

Next year in April the European Geosciences Union will hold its General Assembly in Vienna, Austria.

This is an invitation for you to participate to the Open session on Documentation and monitoring of landslides and debris flows for mathematical modelling and design of mitigation measures (NH3.01)

(http://www.cosis.net/members/meetings/sessions/information.php?p_id=247&s_id=4333)

that will be held during the Assembly that will take place from April 15 to April 20, 2007.

You can find further information about this meeting at the web address:

<http://meetings.copernicus.org/egu2007/>

If you are interested in contributing to the workshop you can upload your abstract using the instructions you will find at the web address:

http://meetings.copernicus.org/egu2007/how_to_submit_an_abstract.html

Please note that the deadline for abstract submission is January 15, 2007.

If you have any question please feel free to contact us at any time.

We look forward to meeting you in Vienna!

Best regards,

Giorgio Lollino
