An international general earth science journal providing an innovative and high-quality means of scientific dissemination

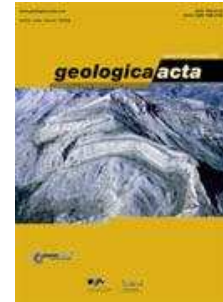

Geologica Acta is an **OPEN ACCES** international journal that aims to stimulate rapid diffusion of results and efficient exchange of ideas between the widespread communities of Earth Science researchers (with special emphasis on Latinamerica, The Caribbean, Europe, the Mediterranean).

Geologica Acta
is a high profile journal that provides
permanent **FREE ACCESS** to all its
publications and contents via internet.

Indexed-abstracted in

Science Citation Index Expanded, Georef, Pascal, Biosis Previews, Latindex, Scopus, Geological Abstracts, Geographical Abstracts, Chemical Abstracts and the Spanish ICYT.

▶ Current issue

Volume 7, Number 4
December 2009
