Due to an oversight in the production process, the article "Probabilistic calibration of a Greenland Ice Sheet model using spatially resolved synthetic observations: toward projections of ice mass loss with uncertainties" was published with a mistake in the affiliations. The affiliation of co-author M. Haran should be Department of Statistics, Pennsylvania State University, University Park, PA 16802, USA (not Department of Statistics, University of Chicago, Chicago, IL 60637, USA).
